# Putting the 'fun' in fundraising!

# Fundraise for Children's Hospice South West!

At our three children's hospices we support families with children who have life-limiting conditions, which means there is no cure for their illness and they are likely to die before they become an adult. When our families come and stay with us we help with medicines and day-to-day care, and provide lots of fun activities for the children including their brothers and sisters. The whole family gets the chance to make some happy memories together.

Our care is free for our families, which is why fundraising is so important and every penny raised really helps.

Here are a few of our ideas to get you thinking...

Like cake? Love this fundraising idea:

## The Great School Bake! (yum!)

Challenge your class and teachers to bake anything yummy and hold a cake sale, or hold a 'Bake Off' competition.

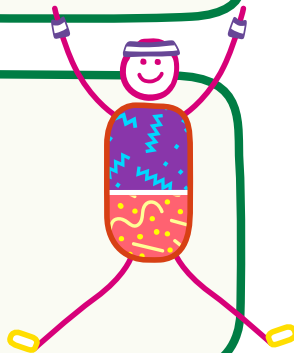

## Wacky wardrobe

Maybe you already dress like this!? Or it could be great fun to get everyone to dress in wacky clothes for the day, whilst raising money for us.

How about an A to Z of ideas?

A for **Aerobics** marathon,  
B for **Baked beans** bath....

There are loads of ideas in our A to Z of challenges. Check it out: [www.chsw.org.uk/a-z](http://www.chsw.org.uk/a-z)

If you'd like some fun and creative lessons to learn more about our charity and what we do, simply ask your teachers to look at our website:

## But the best ideas are your ideas:

Can you think of any fundraising ideas to raise money at your school?
